

DISCOVERY TIMES

Learning Today... Leading Tomorrow

MARCH – 2025, Vol.-X

PRINCIPAL'S COMMUNIQUE

Dear Parents, Students, and Members of the School Community, As we turn the page to a new academic session, it is with great pride and renewed enthusiasm that I welcome you to Volume XI of Discovery Times. The period from April to June marks both a fresh beginning and a celebration of our shared achievements as we set the tone for the academic year 2025–26. This quarter has been a vibrant blend of new initiatives, rigorous academic pursuits, and joyful co-curricular engagements. Our students returned with enthusiasm, ready to embrace new challenges and opportunities for growth. The corridors once again echoed with curiosity, creativity, and collaboration—values that lie at the heart of our educational vision. We have introduced refreshed teaching methodologies, strengthened digital learning integration, and expanded our enrichment programs to ensure a holistic and future-ready education. Our dedicated faculty members continue to foster a nurturing environment that encourages every learner to discover and develop their potential. Let us continue to discover, grow, and soar—together.
