Date-11.05.2026

Subject-Regarding the issuance of Building Safety Certificate – Global Discovery School, Rampura Phul, Distt. Bathinda.

Reference-Letter No. SEBGDS/1223 dated 07.04.2026 received from your office.

With reference of the above, the Building Safety certificate for the year 2026-27 is being issued. The building of your school was visually inspected by the office of the Sub-Divisional Engineer and as per their report/recommendation, the Building Safety Certificate for the year 2026-27 is issued up to 31.03.2027 subject to the following inspections and conditions:-

1. The school should have a plan to deal with any untoward incident, including a plan for safely evacuating children from the building during an emergency and coordinating with the relevant department. The school should regularly review and update this plan to ensure its effectiveness.
2. If any addition, alteration, expansion and modification is required or is to be made by the school in this building, then an immediate inspection of this office should be arranged and after completing that part, its safety certificate should be obtained again from this office.
3. If the walls, foundations and roofs of the building subside due to a natural disaster or any other reason, then in this case the school should immediately inform this office about the condition of the building and the building should be put into use only after an inspection.
4. Fire Safety Certificate, Electrical Safety Certificate should be obtained separately from the concerned department.
5. It is the responsibility of the school management to repair the building keeping in mind the safety of the building. Despite this report, the school management is responsible for the safety of the building from all aspects.
6. SARAF EDUBEACON has given a structural safety certificate vide its letter 1223 dated 07.04.2026 and as per their certificate the school is safe for use for the session 2026-27, but this building has not been constructed by this department, hence the structural safety of the building especially from the earthquake point of view cannot be ensured by this department.
7. School staff members should provide appropriate safety training, including procedures for handling emergencies, first aid and evacuation protocols.
8. Fifteen thousand rupees (15,000/-) has been deposited as building inspection fee vide G.R. No. 358281 dated 27.04.2026 as per the covered area of the building..
9. This report is not valid for legal purposes.
10. The school's Fire Safety Certificate is valid till 06.04.2029. On the basis of which the Building Safety Certificate is issued till 31.03.2027.
